

Humane Society of Clark County Photography Internship

The Humane Society of Clark County is now accepting applications for its Photography Internship for Spring 2022. This internship will be partially on-site at the Society on 627 Walnut Street, Arkadelphia, AR 71923 during the time period of January 31 to Apr 29, 2022. Each intern will be expected to volunteer for a minimum of 5 hours per week. This unpaid internship will give college credit as well as volunteer hours with both Henderson State and Ouachita Baptist Universities.

BACKGROUND

This Humane Society is a no kill animal shelter, specializing in cats, dogs, kittens and puppies. Each of our loving animals are in search of their forever home.

This new internship will allow photography students the opportunity to work on their pet-photography skills and build their portfolio while aiding the animals in getting adopted.

HOW IT WORKS

As a valued member of the Humane Society, the Photography Intern will be able to photograph animals during business hours as well as photograph community events the Humane Society creates and will be a part of. They will be allowed to edit photos remotely using their own equipment.

This intern will be required to work a minimum of 5 hours per week between Monday to Friday during the time of 9 AM to 4 PM. All equipment must come from the intern.

Photos will need to be uploaded weekly to the drive to ensure consistent social media outreach by our marketing manager. Loose guidelines will be set for editing style to ensure consistency with social media.

Weekly chats with their supervisor will be scheduled to ensure all questions and suggestions are openly discussed. The intern will also be allowed to create a project of their choosing to give them the opportunity to apply what they have learned in real-life scenarios. These projects can also be associated with any honors thesis they may have or used with any exhibits.

ELIGIBILITY

Applicants must be:

1. Currently enrolled in an art or photography major/minor.
2. Must be interested in caring for animals and willing to help if more hands are needed.
3. A demonstrated ability to work effectively independently.
4. Available for 5 hours per week.
5. Must have their own photography equipment and photo editing software.
6. Must understand the humane society is not liable for any damaged equipment.

HOW TO APPLY

Interested applicants should email their applications to Humanesocietyclarkcounty@yahoo.com before January 22nd. If accepted, interviews will take place in person the week of January 24th- 26th during business hours.
